

# FURRY MITZVAH DAY

Let's help our furry friends at the Franklin Township Animal Shelter. Come tour their new facility just up the road from Peretz off of DeMott Lane in Somerset on **Saturday, February 24<sup>th</sup> at 2:00**. Here are some of the things that the shelter always needs for the animals and we're going to collect this for them:

## WISH LIST ITEMS:

-  Dry cat, kitten, dog and puppy food
- Cat toys (even something as inexpensive as ping pong balls from a dollar store)
- Catnip
- Dog kong toys (can be purchased inexpensively in places like Walmart)
- Bleach
- Pine Sol
- Hand sanitizers
- Paper towels
- Sponges
- Q tips
- Frontline or any flea medication for dogs and cats

\*They even take donations of sheets and towels so the animals (especially the very young) have a warm, cozy place to sleep and sit. Old receiving blankets and baby items work well for these cute babies too.

Please collect as many of the items above as possible and plan to bring them to the tour. You'll see first hand how all our furry friends will benefit from your kindness and generosity. Feel free to ask friends and neighbors to help too with donations. Everything helps.

Sponsored by the Social Action Committee – if there are any questions, please email Lyn Sirota at [lyn.sirota@att.net](mailto:lyn.sirota@att.net).
