

The I.L. Peretz Secular Jewish Community presents:

# A Community Dialogue on **Israel** -The Path to Peace-

As members of a dynamic Jewish community, we share a concern for the future of Israel and for the well-being of all humanity. In that spirit, we are holding a community dialogue so our members, whatever their political or strategic views, can explore constructive ideas and diverse perspectives on furthering Israel's Path to Peace.

The format will be three 10-minute presentations by Peretz members Alan Cooper, Allan Lichtenstein, and Robert Stern, followed by an open discussion. Please join us for a lively and respectful exchange of ideas on this controversial issue.

Four principles will guide the discussion:

We support an end to violence on all sides.  
We support a viable two-state solution to the conflict.  
We support an end to the occupation of the West Bank and Gaza by Israel.  
We promote the exploration of a diversity of viewpoints within our community.
